

Longboard Race Results for the Plumas Ski Club  
“Historic Longboard Revival Series”-1993 to 2022

January & February Races & the March, World Championship  
Compiled by Rob Russell  
Updates by Sue McCourt, Abby Marshall

The Plumas Ski Club held its first “World Championship” Longboard event in 1952 at “Snowshoe Flats” near Johnsville. In 1993, the club resumed its sponsorship of longboard racing which has continued 1993- 2016 thus far. Over these years, many great races have taken place in the historic Eureka Bowl keeping the historic Plumas County tradition alive as the first ski racing area in America, circa 1863, Onion Valley, Plumas County, California.

Over the years, the club has attempted to hold 3 races per season in January, February, and March. The following is the “as known” listing of races and race winners from 1993 on.

### **1993**

**March** “Redstreak Pioneer Ski Celebration” Event/ “World Championship” Races- ... use of museum skis

Womens races- none ?
